Section 1.7

## Additional buttons

**Zoom to Next Extent**

Section 1.7

**Adjust Polygon Border and Pattern**

Section 1.7

## Additional Table buttons

- Probability Distribution Calculator
- Field Summary Statistics
- Simple Linear Regression
- Export Table to Excel
- Import Table from Excel

### Legend:

- ↔ Use of tool proceeds through multiple dialogs.
- The tool dialog contains buttons which open additional tools dialogs.

**Note:** Each Module is represented by a specific colour (Data and Metadata Module; SWB Module; WS Module; SIFRA Compendium; Other Buttons). Dotted arrows and boundary refer to functions from no-AWRD extension, but automatically loaded when the AWRD extension is loaded. Sections references refer to AWRD Technical Manual.
