

Dear, user,

The Forestry Information Centre Alert Service is a list of materials recently added to our collection. The list only includes materials acquired by the Centre in March - April 2008. Sometimes older material will appear in the list because we have only recently received it. This list is organised in alphabetical order.

Please feel free to come and consult, borrow or reserve the items that you are interested in.

NOTICE

Scopus : if you are interested to assess who is citing your publications have a look on <http://www.scopus.com/scopus/home.url>

If you have any doubt or difficulties in use these resorces, please do not hesitate to contact us.

Enjoy your reading,
