

TANZANIA – Evaluation of the nfp Process

Matrix of Progress of the nfp Process – August 2008

Prepared Stephen E. Msemu, Assistant coordinator NFBKP and resulted from an extensive stakeholder workshop in Morongoro Tanzania 14 and 15 August 2008

For each box, please attribute one of the following values:

0 = if the indicator has not been developed / if it is absent from the country nfp process

1 = if the indicator exists but is incipient / is just starting / there is plenty of room to develop it further

2 = if the indicator is developed / is progressing well within the country nfp process

3 = if the indicator is completed to the country's full satisfaction / if the indicator can serve as a model for others to follow

Please provide the evidences when necessary
