The importance of the NFP Platform

Monrovia, November 2010
Presentation’s structure

- History of the nfp platform in Liberia
- Importance
- How to strengthen
Now: November 2010
Democratic and decentralised governance of the forestry, climate change and natural resources sectors

Strengthen the flow of information from bottom up and vice-versa

Multi-stakeholder participation in the policy process for multi purposes

- Articulated inputs, socialization, validation, implementation of laws, hot issues, etc.
How to strengthen the nfp platform

- Use it!
- Everybody participating has to feel that their participation bring benefits
  - What I say is heard and have an impact at the national level
- Be like a chicken! Make noise!
