

Specification of National Reporting Tables for FRA 2005

FRA Working Paper 81

Chronological list of modifications and amendments to the original document

Date	Page	Modification / amendment
2004-02-26	9	Under Other Land, explanatory note 4 regarding bamboo and palms should be deleted
2004-02-26	24	The heading "Internal consistency and relationship to other reporting tables" and the text below should be deleted.
2004-02-26	22	"Reporting years" should be changed to the following: "1990 and 2000. The figures for each reporting year should represent a five-year average of annually affected areas for the period 1988-1992 and 1998-2002 respectively."
