I. INTRODUCTION

II. OPENING OF THE MEETING AND ELECTION OF THE CHAIR AND VICE-CHAIRS AND RAPPORTEUR

2. Mr Javad Mozafari (Iran), Vice-Chair of the Commission on Genetic Resources for Food and Agriculture acting as the Interim Committee for the International Treaty on Plant Genetic Resources for Food and Agriculture, opened the meeting, and welcomed delegates and observers. He noted the important work ahead of the Open-ended Working Group, in preparing for the first session of the Governing Body of the International Treaty.

3. Ms Louise O. Fresco, Assistant Director-General, Agriculture Department, noted that substantial progress was being made in preparation for the first session of the Governing Body of the International Treaty, which would be hosted by the Government of Spain, in Madrid, from 12 to 16 June 2006. The Open-ended Working Group had several important issues to consider. She stressed the importance of advancing the Rules of Procedure and the Financial Rules of the Governing Body, Compliance, and the Funding Strategy. The Open-ended Working Group would need to provide clear guidance on how the Treaty’s Funding Strategy might be further developed, for consideration by the Governing Body.

4. Ms Fresco noted that a country only becomes a full member of the Treaty ninety days after depositing its instrument of ratification, acceptance, approval or accession. She therefore urged countries that had not yet ratified, accepted, approved or acceded to the Treaty to do so prior to March 14, 2006, in order to be able to participate as Contracting Parties at the first session of the Governing Body.

5. Ms Fresco thanked the Governments of Canada, Finland, Germany, Ireland, Italy, Japan, the Netherlands, Norway, Spain, and the United States of America, for having provided resources to support the work of the Open-ended Working Group, including for the participation of developing countries.

6. Mr Clive Stannard, Officer-in-Charge of the Interim Secretariat, announced that, while Ms Fresco was speaking, he had been informed that Australia and Kiribati had deposited their instruments and became Contracting Parties to the International Treaty, bringing the number of Contracting Parties to eighty-one, as given in Appendix B.

7. Mr Mozafari called for nominations for the Chair and Vice-Chairs of the Open-ended Working Group. Mr Modesto Fernández Díaz-Silveira (Cuba) was elected Chair. Six Vice-Chairs were elected: Ms Elizabeth Matos (Angola), Mr John Madden (Australia), Mr Wang Shumin (China), Mr Javad Mozafari (Iran), Mr Martyn J. Ibbotson (United Kingdom) and Mr Douglas Neumann (United States of America). Mr Hussain Faisal (Maldives) was elected Rapporteur.

8. In taking the Chair of the meeting, Mr Fernández Díaz-Silveira stressed the need for the Open-ended Working Group to make rapid progress on all matters under consideration, in order to ensure a productive first session of the Governing Body of the International Treaty, and the
achievement of the objectives of the Treaty. The Open-ended Working Group then adopted its agenda, as given in Appendix A. It established a Sub-Working Group for the preparation of the draft Financial Rules of the Governing Body; Mr John Madden (Australia) and Mr Mansour M. Al-Aqil (Yemen) were elected Co-Chairs of this Sub-Working Group. It also established a Sub-Working Group for the Preparation of the Draft Rules of Procedure of the Governing Body; Mr Didier Balma (Burkina Faso) and Mr René Lefeber (the Netherlands) were elected Co-Chairs of this Working Group. These Sub-Working Groups also discussed, respectively, the draft Funding Strategy, and draft procedures and mechanisms to promote compliance and to address issues of non-compliance.

III. PREPARATION OF THE DRAFT RULES OF PROCEDURE FOR THE GOVERNING BODY

9. The Open-ended Working Group reviewed and revised the document, Draft Rules of Procedure of the Governing Body of the International Treaty on Plant Genetic Resources for Food and Agriculture.¹ The Open-ended Working Group requested the Interim Secretariat, with the assistance of the Co-Chairs, to review these revised draft Rules of Procedure in detail, and prepare an annotated text. The task should be limited to structural and editorial improvements, without substantive modifications. It recommended that the Draft Rules of Procedure, as given in Appendix C, be submitted for consideration to the Governing Body at its first session.

IV. PREPARATION OF THE DRAFT FINANCIAL RULES FOR THE GOVERNING BODY

10. The Open-ended Working Group reviewed and revised the document, Draft Financial Rules for the Governing Body of the International Treaty on Plant Genetic Resources.² The revised Draft Financial Rules are attached, as Appendix D.

11. The Open-ended Working Group requested the Interim Secretariat, with the assistance of the relevant FAO administrative services, to review these revised Draft Financial Rules in detail, and prepare an annotated text, with suggestions as to how they might be harmonized with the administrative terms normally used in FAO and good accounting practice. FAO’s practices with regard to managing different kinds of funding for such agreements, should also be clarified in such an annotated text, and FAO’s administrative experience with Conventions and Agreements established under Article XIV of the FAO Constitution should be taken into account. This task should be limited to structural and editorial improvements without substantive modifications.

13. It further recommended that the Governing Body request the Director-General to inform the Governing Body of the amount reserved for the Treaty’s core administrative budget in the FAO Regular Programme, and of the services FAO would provide, on the understanding that the amount reserved for the Treaty in the FAO Regular Programme, subject to the approval by the Governing Bodies of FAO, should come from the overall Regular Programme, and not from the amount reserved for a specific department.

V. PREPARATION OF DRAFT PROCEDURES AND MECHANISMS TO PROMOTE COMPLIANCE AND TO ADDRESS ISSUES OF NON-COMPLIANCE

14. The Open-ended Working Group reviewed the documents: Compilation and analysis of Governments’ views on compliance with the International Treaty on Plant Genetic Resources for

¹ CGRFA/IC/OWG-1/05/3
² CGRFA/IC/OWG-1/05/4.
15. During the meeting, countries and regions made comments and submissions. The Open-ended Working Group then consolidated the submissions into a text in the form of a draft resolution for the consideration of the Governing Body, which is attached as Appendix E. The Working Group, however, did not go into detail of the Annex to the Resolution, because of the limitation of time.

16. The Open-ended Working Group agreed that this text should be submitted for consideration by the Governing Body, and noted that, in addition to the text, the comments and submissions provided by delegations in the present meeting, and the written submissions in the documents mentioned above, should be taken into account. The Open-ended Working Group invited further submissions and comments by countries and regions, including on the text in Appendix E and its Annex, and requested the Interim Secretariat to post these on the Commission’s web-site.

17. Countries were also urged to consider further consultations to address outstanding issues before the first session of the Governing Body.

VI. PREPARATION OF A DRAFT FUNDING STRATEGY FOR THE TREATY

18. The Open-ended Working Group considered the documents: Development of the Funding Strategy for the implementation of the International Treaty on Plant Genetic Resources for Food and Agriculture; and Compilation and analysis of Governments’ views on the Funding Strategy of the Governing Body of the International Treaty on Plant Genetic Resources for Food and Agriculture; as well as the Background Study Papers: Report on the types of funding and assistance and institutions with relevant mandates to the Funding Strategy of the International Treaty on Plant Genetic Resources for Food and Agriculture; and Options for non-monetary benefit-sharing: an inventory.

19. The Open-ended Working Group stressed the importance of the Funding Strategy for the implementation of the International Treaty, and noted it should be of an evolving nature, to accommodate changing future needs.

20. The Open-ended Working Group decided to base its discussions on the draft Resolution and draft Funding Strategy that had been prepared by the Interim Secretariat, which it reviewed and revised. The Working Group recommended that the revised draft Resolution in Appendix F, and the draft Funding Strategy in the Annex to Appendix F, be submitted to the Governing Body for consideration at its first session.

21. The Open-ended Working Group agreed that Members might provide the Interim Secretariat with further views on, and text for, the Funding Strategy, by 31 March 2006. It requested the Interim Secretariat to compile such views and suggested text, for consideration as a background document by the first session of the Governing Body.

22. The Open-ended Working Group further requested the Interim Secretariat to:
   • provide information to the first session of the Governing Body on how it might set priorities for the use of resources under the Funding Strategy;

3 CGFRA/MIC-2/04/3.
4 CGFRA/IC/OWG-1/05/5 and CGFRA/IC/OWG-1/05/5 Add.1.
5 CGFRA/IC/OWG-1/05/7.
6 CGFRA/IC/OWG-1/05/6 and CGFRA/IC/OWG-1/05/6 Add.1.
7 Background Study Paper No. 29.
8 Background Study Paper No. 30.
• collect and make available to the first session of the Governing Body information on the practices of other relevant bodies regarding priority-setting, eligibility criteria and operational procedures; and
• establish contact with relevant organizations in order to promote the Funding Strategy, and to invite such organizations to participate in the first session of the Governing Body.

VII. OTHER BUSINESS

23. The Open-ended Working Group requested the Legal Counsel of FAO to review the documents that had been prepared during the meeting, relating to the Draft Rules of Procedure; the Draft Financial Rules; the Draft Procedures and Mechanisms to Promote Compliance and Address Issues of Non-compliance; and the Draft Funding Strategy, and prepare a document assessing their consistency with FAO’s Administrative Rules and Procedures and the provisions of the Treaty, for the consideration of the Governing Body.

24. The Open-ended Working Group entrusted the Interim Secretariat to explore the possibility of convening a second, two-day meeting of the Open-ended Working Group before the first session of the Governing Body, to finalize the text regarding the four subjects it had addressed.

25. The Representative of Spain announced that preparations for the first session of the Governing Body were well-advanced, including provision for regional consultations on the 9 and 10 June 2006. He noted that the Government of Spain would host a Ministerial segment during the first session, and requested that delegates make their governments aware of this event.

VIII. CLOSING STATEMENT

26. As the Chair of the meeting, Mr Fernández Díaz-Silveira thanked all delegates and observers for their efforts to advance preparations for the first session of the Governing Body, and acknowledged the importance of the regional consultations prior to the meeting. He thanked the Vice-Chairs for their advice and support, and congratulated the Co-Chairs for their excellent work. Mr Fernández Díaz-Silveira also thanked the Interim Secretariat for its outstanding contribution in supporting the Open-ended Working Group, and in doing so, acknowledged the excellent work of the interpreters and translators.
