

Food and Agriculture Organization of the United Nations

Forests and Landscape Forum

A side event on "Ecosystem and landscape approaches to tackle land degradation and promote ecosystem restoration"

Join us over breakfast at the Turkish Pavilion

13, 14 & 15 October 2015, 8.00-10.00 am

Join us to learn how relevant land restoration initiatives are contributing to achieve global targets (i.e., Bonn Challenge, New York Declaration on Forests, CBD's Aichi Biodiversity Targets, Land Degradation Neutrality), discuss technical and financing aspects, and get inspired by restoration champions from across the world.

Tuesday, Oct 13th, Turkish Pavilion

Subtheme: Relevant global and (sub)regional initiatives

8.15-8.35	Opening remarks and introduction (Turkey, GM & FAO)
8.35-8.55	The Forest and Landscape Restoration Mechanism (FAO)
8.55-9.15	The Forest Ecosystem Restoration Initiative (CBD & Korea Forest Service)
9.15-9.35	Initiative 20 x 20: addressing land degradation in LAC (WRI)
9.35-9.55	Transboundary implementation of the Great Green Wall Initiative (Royal Botanic Gardens of Kew)

Wednesday, Oct 14th, Turkish Pavilion

Subtheme: Technical and financing aspects

8.05-8.25	Global guidelines for the restoration of degraded forests and landscapes in drylands: Building resilience and benefiting livelihoods (FAO & TIKA)
8.25-8.45	The Restoration Opportunities Assessment Methodology (IUCN)
8.45-9.05	Forest and landscape restoration for climate change mitigation and adaptation (IUFRO)
9.05-9.20	Forest and landscape restoration financing - Joint discussion paper (GM & FAO)
9.20-9.35	Forest and landscape restoration financing – The role of public policies and the private sector (FAO & GM)
9.35-9.55	Financing strategies for integrated landscape investment (EcoAgriculture Partners & LPFN)

Thursday, Oct 15th, Turkish Pavilion

Subtheme: National and local experiences

8.10-8.30	Turkey's experience promoting LDN and forest and landscape restoration (Turkey & TIKA)
8.30-8.50	Using bamboo to improve livelihoods and restore degraded land (India)
8.50-9.10	A mission to restore 15 million hectares of land by 2030 (Ethiopia)
9.10-9.25	Leveraging REDD+ support for multiple benefits (Peru)
9.25-9.40	GEF multifocal area approach in practice (Azerbaijan)
9.40-9.55	Conclusions and closing remarks (GM & Turkey)
