Third meeting of the Platform	7 September 2015 (Rome)
Sixth Session of the Governing Body	5-9 October 2015

Organizational principles

- **Technical institution-driven** initiative to harness technology co-development and transfer within the **Treaty systems**
- Facilitating **networking** of like-minded, autonomous efforts
 - *“If you want to go fast, go alone. If you want to go far, **go together**”*
- **Adding value** to individual efforts

Intended impacts

- **Demand-driven** technology
- Technology **combined** with information and capacity
- To the **benefit of farmers** in developing countries
- **No one size-fits-all** solutions
- **Mobilizing** both in-kind and financial resources

Progress so far

- ✓ Developed a mission statement
- ✓ “Influenced” the designing of the call for proposals (window 3)
- ✓ Partners implement projects financed under the call
- ✓ Mainstreamed into the Programme of Work on Sustainable Use
- ✓ New Presidency (Indonesia, IAARD)

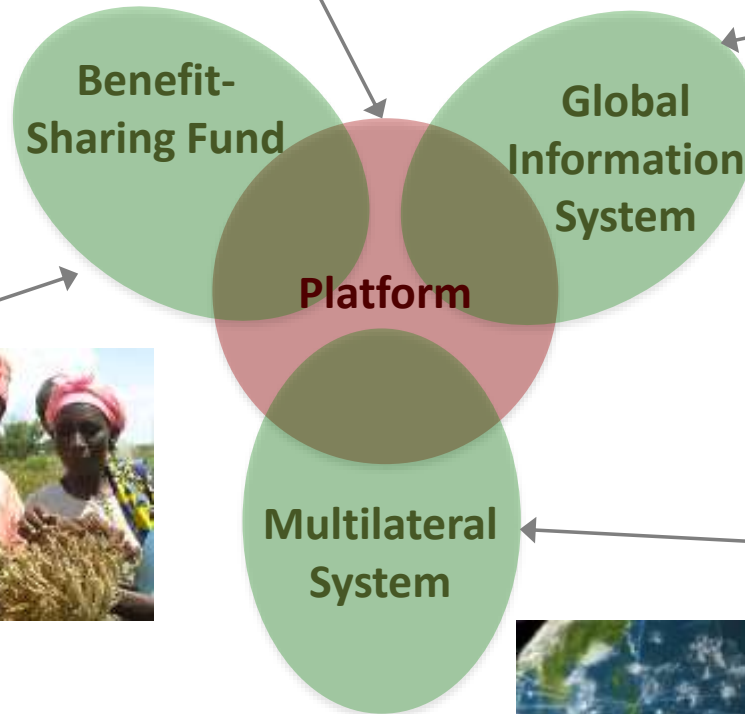

Strategic focus

- Articulate value propositions
- Expand the network
- Define internal governance

- GLIS vision
- GLIS Portal and facilities
- DivSeek

- Monitor and support implementation
- Programmatic approach

- Enhance ABS
- Address dematerialization

The agenda for today

- Progress reports and presentations by new institutions
- Platform facilities
- Programmatic approach of the Benefit-Sharing Fund
- Other activities for the next biennium (reports, governance arrangements)
