Administration Division,  
Kilimo House I - Temeke,  
P.O. Box 9192,  
**DAR ES SALAAM**

**Ref.No. CEA 217/609/01**

**12<sup>th</sup> March, 2013**

The Secretary of the ITPGRFA  
Mr. Shakeel Bhatti  
FAO, Vialledelle Terme di Caracalla  
00153 Rome – Italy

**Re: NOTIFICATION OF INCLUSION OF MATERIALS IN THE MULTILATERAL SYSTEM**

Please refer to the named heading.

During the implementation of the project (PR No. 42871) funded by the Benefit Sharing fund of the ITPGRFA, the NPGRC collected 35 sorghum accessions, 4 lablab beans accessions, 21 *Cucurbita maxima* accessions, 39 yam accessions, and 5 *Plectrathus* accessions (see attachment). Further the project obtained additional materials (Finger millet – 89 accession, Sorghum – 63 accessions and Lablab beans – 21 accessions) from the genebank and multiplied for use in the project, although some of the materials were lost due to excessive drought (see attachment).

Therefore, I wish to inform you that, as the pre requisite for the benefit sharing fund, the following collections held at the NPGRC have been made available for use under the condition of the SMTA of the ITPGRFA. Some of the institutions which have accessed these materials through SMTA includes ICRISAT – based in Nairobi, Kenya, IRRI based in Philippines, etc. Though the NPGRC does not have a website, information regarding the collections is stored in a SADC Plant Genetic Resources Centre (SPGRC) developed data base (SDIS) and retrieved from time to time into seed catalogues that are also updated from time to time and distributed to stakeholders.

  
Dr. Fidelis A. Myaka  
**For: PERMANENT SECRETARY**

**Cc: Curator, NPGRC  
Arusha - Tanzania**
