Terms of Reference of the Regional Steering Committee of the GF-TADs for Africa

Version dated 16 October 2020

Foreword

1. The *Global Framework for the progressive control of Transboundary Animal Diseases* (GF-TADs) is a facilitating mechanism, based on a joint initiative from the *Food and Agriculture Organization* of the United Nations (FAO) and the *World Organisation for Animal Health* (OIE) that aims, in association with other relevant partners to initiate and support regional cooperation for the control of *transboundary animal diseases* (TADs).

2. Specific reference for these terms of reference is the OIE-FAO GF-TADs general agreement signed on May 24 2004.

3. As a general principle, the GF-TADs governance bodies at the global level will not interfere in the existing activities of each organization and will not duplicate work already done by each organization in the framework of its mandate. The governance bodies will respect the roles and existing activities and mandates of the OIE and FAO, in particular concerning the management of Animal Health Information.

4. As a general modus operandi, any decision must respond to the following principles:

- The Secretariat of the *Regional Steering Committee* (RSC), elaborate or collect the proposed decision and present it to the RSC for its validation.
- The RSC, taking into account any necessary interactions to ensure smooth coordination with the global level of GF-TADs mechanism, validates or rejects the proposed decision.
- The RSC may subject its validation upon compliance with guidance or recommendations
- The RSC may require the decision to be resubmitted for validation to check compliance with its requirements.

- To advise on the coordination and management of the RSUs activities, providing harmonized policies;
- To ensure that the representatives of RSOs provide reports and coordinate the implementation of agreed actions within their member countries;
- To ensure that the Lead Officers of RSUs send reports to the Secretariat;
- For the Chairperson of the RSC to attend the GF-TADs Global Steering Committee meetings;
- To assist, when applicable, the RSOs and major donors in monitoring and evaluating the RSUs activities.
- To identify/engage potential NGOs, farmers' organizations and regional organizations to be invited to technical meetings such as standing group of experts and sub-regional meetings;
- To identify and share information on success stories through relevant channels (GF-TADs website, OIE Newsletter, FAO EMPRES News, etc) and to provide guidance to the regional secretariat on the information to share through the regional GF-TADs website;

2.4. RULES OF MEETINGS

- The RSC will have a quorum of half of the members + one, where there is at least one representative from the OIE and FAO nominated by their respective headquarters
- Normally decisions will be reached by consensus. However, if this is not possible, then voting is called for and a simple majority will take decisions. Only issues regarding the modification in the composition or functioning of the Steering Committee itself and other major issues as indicated by the Chairperson will be voted by a qualified majority (two thirds of the total members number);
- In the case of a deadlock in voting (e.g.: 5 vs. 5), the chairperson shall have the casting vote to unlock the decision-making process;
- In the event of tasks assigned to the Steering Committee (such as drafting documents, commenting on reports and documents), the deadline for the validity of the Steering Committee deliberation/contribution will normally be of 1 month, unless otherwise agreed by majority. If the deadline expires without the Steering Committee members' reaction, the chair of the steering committee will take a decision on the tasks and inform the members accordingly;
- The RSC will report to the GSC;
- The meetings are conducted in English with simultaneous translations in French.

2.5. PROCEDURES FOR AGENDA AND REPORTING

- The Secretary in consultation with the Chairperson shall prepare the agenda for each meeting; it will be proposed to the other members in advance before the date of the meeting for their comments and approval in order to modify or add items as needed.
- The Secretary to the Steering Committee shall draft the minutes of each meeting and circulate to members of the RSC within one month after the meeting. Members of the Steering Committee shall comment on/adopt the minutes within ten working days from the date of circulation. The Chairperson has the final right to accept an item on the agenda, but members may wish to raise an item under 'other business' if necessary and time permitting.
- In the event of an extraordinary meeting, the format shall be the discussion of only the issue that necessitated convening of the meeting and no other item shall be introduced.
- The secretary shall prepare an annual synopsis of activities carried out within the framework of GF-TADs Africa and submit it to the Chairperson for endorsement and onward dissemination. The approved reports shall be appended to the yearly GF-TADs Africa synopsis. If the normal cycle of Steering Committee meetings is interrupted, the Secretary shall include this information in the yearly synopsis, together with an explanation of why meetings were not held.
- Archiving of the meeting reports will be done by the Secretariat and kept as a complete record. This can be accessed by GF-TADs Africa Regional SC members on request to the Secretariat.

2.6. RELATIONS WITHIN THE GLOBAL GOVERNANCE

The Steering Committee of the GF-TADs for Africa reports to the GF-TADs GSC. It addresses the animal health matters of the region ensuring good governance of Animal Health Systems (in line with the OIE / FAO Paper: *'Ensuring good governance to address emerging and re-emerging animal disease threats: supporting the veterinary services of developing countries to meet OIE international standards on quality'*), it defines and implements appropriate policies and strategies regarding prevention and control of animal disease strategies including compliance to OIE standards for Veterinary Services, central command for TADs matters and enforcement of rules and regulations.

2.7. FREQUENCY AND VENUE OF MEETINGS

The RSC will meet at least every two years; however all above-mentioned reporting activities must be carried on, electronically, even if the RSC does not meet during the year.

All meetings, including extraordinary meetings will be convened by the Chairperson with agreement of the Secretariat.

2.8. FINANCIAL ARRANGEMENTS

Meeting costs of representatives from AU MCs and costs for the logistical organization of meetings will be covered by the three organizations (FAO, OIE, and AU-IBAR) depending on the availability of resources.

Non-voting members are expected to cover their own expenses or seek funding from partner organizations.

The cost of operation of the Secretariat will be covered by the OIE.

3. REGIONAL SPECIALISED ORGANISATIONS (RSOS)

3.1. DESIGNATION

RSOs are legally established bodies which are key actors in the implementation of GF-TADs and which, in interaction with OIE, FAO, their respective Regional Commissions, national veterinary services and technical specialists, strategize and prioritize activities for disease control, information reporting, surveillance, and risk mitigation.
