

Project Preparation Grant (PPG) Validation workshop
“MyCoast: Ecosystem Based Conservation of Myanmar's Southern Coastal Zone”
Horizon Lake View Hotel, Nay Pyi Taw, Myanmar
3-4 April 2019
Provisional Agenda

This project document validation meeting will allow key stakeholders to review and validate the draft MyCoast project document that has been prepared under the GEF project preparation grant phase.

Workshop Objectives:

- 1) Review the PPG consultation process and outline key findings
- 2) Present and discuss the key elements of the project design
- 3) Provide opportunity for stakeholders to discuss the proposed implementation approach and provide feedback
- 4) Provide opportunity for stakeholders to endorse the draft project document for follow-up submission to the GEF Secretariat
