PESTICIDE CONTAINERS

**DO NOT reuse
empty containers
to store food or water.**

*Eating or
drinking
anything from
them can make
you sick.

*Even after
cleaning,
pesticide
residues will
remain in them.

If your eyes, hands or
any other body part
are in contact with
pesticides,
wash immediately
with a lot of clean
water.

If you have migraines
or nausea, visit the
**nearest health
center.**

If you find
empty containers
return them to the local
Ministry of
Agriculture office, to be
properly disposed.

Contact the number below as soon as you see Desert Locust:
