

Food and Agriculture
Organization of the
United Nations

What can you do to stop soil biodiversity loss?

Grow
greener cities
and live
sustainably

Invest
in soil biodiversity
research, knowledge
and innovation

Raise
awareness and
advocate
for living soils

Manage
soil resources
sustainably

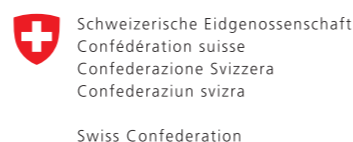

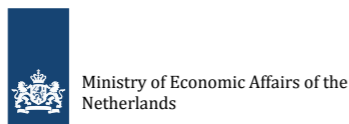

**Reduce,
Reuse and
Recycle**

Avoid
the use of
pollutants

Value
nature and
food

Thanks to the financial support of

**KEEP SOIL ALIVE
PROTECT SOIL
BIODIVERSITY**
