ITEM I. OPENING OF THE MEETING

1. The Second Meeting of the Standing Committee on the Funding Strategy and Resource Mobilization (the Funding Committee) was opened by the Co-Chairs, Mr. Alwin Kopse (Switzerland) and Mr. Manrique Altavista (Argentina). The Funding Committee had elected Mr. Altavista to replace Mr. Luis Fernando Ceciliano as Co-Chair, by electronic means in advance of the meeting. A representative from Brazil has replaced Mr. Ceciliano from Costa Rica as a member of the Committee for the GRULAC region.

2. The Co-Chairs welcomed the Members of the Committee and silent observers, recalling that the Committee had agreed to hold its second meeting virtually, due to the COVID-19 pandemic. The List of Participants is provided in Appendix 3 to these Proceedings.

ITEM II. AGENDA AND TIMETABLE

3. The Co-Chairs recalled that the Agenda for its second meeting, as contained in Appendix 1 to these Proceedings, had been adopted by the Committee in advance of the meeting, through electronic means, noting that no objections to the Provisional Agenda were received nor any changes proposed by the agreed deadline.

4. The Co-Chairs introduced the Provisional Timetable set out in Appendix 1 of the document SFC-2/20/2, Provisional Annotated Agenda and Timetable, which was adopted by the Committee.

ITEM III. OPERATIONAL PLAN 2020-2025

5. The Co-Chairs recalled that at its first meeting, the Committee requested the Secretary to work with the Co-Chairs to develop a first draft of the Operational Plan, for the consideration of the Committee at its next meeting. It also requested the Secretariat to provide documents well in advance of its meetings so that members may provide initial comments or any feedback before the meeting.

6. The Committee discussed the Co-Chairs’ First Draft of the Operational Plan 2020-2025 and the comments received by Committee members in advance of the meeting and incorporated to document IT/GB-9/SFC-2/20/3, as well as any additional comments raised by the Committee members during its meeting.

7. The Committee finalised the Operational Plan 2020-2025, as contained in Appendix 2, noting that it is a key planning tool of the Committee to facilitate the implementation of the Funding Strategy. It should therefore be considered a living document and may be updated by the Committee, as needed.
ITEM IV. FUTURE WORK OF THE FUNDING COMMITTEE

8. The Secretariat delivered a presentation on the future work of the Funding Committee for the 2020-2021 biennium, based upon the agreed milestones and activities of the three focus areas (Resource Mobilization, Benefit-sharing Fund Operations and Monitoring and Review) contained in the Operational Plan.

9. As part of the presentation on the future work of the Committee, the Secretariat also provided an update on the Independent Evaluation of the Third Cycle of the Benefit-sharing Fund. The Committee requested the Secretariat to arrange a special webinar in early 2021 prior to the third meeting of the Committee to further inform the Committee of the outcomes of the independent evaluation. The Report of the Independent Evaluation will be made available to the Committee at its fourth meeting.

10. The Committee agreed to a broad timeline for its work in the 2020-2021 biennium, including the focus of its forthcoming meetings. This has been summarised in the table below.

11. With regards to Focus Area 1: Resource Mobilization, the Committee will, at its third meeting, consider a draft skeleton outline of the strategy to mobilize funds from food processing industries and provide guidance on outreach initiatives for resource mobilization for BSF-5. The draft outline will be provided to members of the Committee in advance of the meeting, for comments. The Committee requested the Secretariat to consult with the Global Crop Diversity Trust and relevant FAO units in preparing the outline. It noted that the food processing industry also includes a wide variety of enterprises, from large industries to small-scale industries and family farmers in many countries.

12. In relation to Focus Area 2: Operations of the Benefit-sharing Fund, the Committee requested the Secretariat to prepare a number of documents for the Committee’s consideration at its third meeting. It requested the Secretariat to circulate the draft Monitoring, Evaluation and Learning (MEL) framework of the BSF, in advance for comments. It also requested the Secretariat to prepare an options paper for BSF-5 for consideration of the Committee at its third meeting, which would include an update on the funds available for BSF-5, the options to design BSF-5 based on those set out in the new BSF Operations Manual, outreach activities to donors and partners, and the possible next steps and timeline, including the work to be undertaken by SFC-4.

13. The Committee discussed the importance of the inclusion of external expertise and active observers at its third meeting, noting the importance of inviting the Global Crop Diversity Trust to participate as an active observer, particularly in relation to resource mobilization, communication and outreach.

14. Given the prevailing constraints resulting from the COVID-19 pandemic, including that FAO is presently not allowing in-person meetings to be held at its Headquarters until at least May 2021, the Committee agreed that its fourth meeting planned for 13-15 April would be held virtually. Given the anticipated heavy agenda of this meeting, the Committee also noted that it may be necessary to add additional hours or days to the schedule.

ITEM V. OTHER BUSINESS

15. No other business was discussed by the Committee.

ITEM VI. PROCEEDINGS OF THE MEETING

16. The Co-Chairs expressed their appreciation for the constructive contributions of the members in finalising the Operational Plan of the Funding Strategy, noting that it provides an important tool for the Committee in planning and taking forward its work. The Co-Chairs also thanked the silent Observers for their participation, and for the efforts made by the Secretary in preparing for the meeting.

17. These Meeting Proceedings contain the summary of the Committee’s discussions at its second meeting. The final version incorporates any comments which members may have subsequently provided electronically.

V. Table of references – Resolution 3/2019

I. OVERVIEW

1. The Operational Plan is a multi-year plan designed to guide the Funding Committee on the implementation of the Funding Strategy over the period 2020-2025 and will be reviewed and updated by the Committee at two-year intervals so that it remains relevant and responsive to the operational environment and needs.

2. As was agreed by the Committee at its first meeting, the Operational Plan identifies the following three areas to focus efforts on and sets out major milestones, outputs and timelines within these:
   a. Focus Area 1: Resource Mobilization
   b. Focus Area 2: Benefit-sharing Fund Operations
   c. Focus Area 3: Monitoring and Review

3. Given the substantive work required and the multitude of stakeholders involved in the implementation of the Treaty’s Funding Strategy, the Operational Plan is set at a high level, marking the major milestones and outputs required in order to achieve the Funding Strategy’s Vision and Targets. The related activities required to implement the Funding Strategy, detailed through Resolution 3/2019 and its Annexes, will be further discussed, operationalized and monitored through the continuous work of the Committee and the enabling partners of the Treaty over the 2020-2025 period.

II. FOCUS AREA 1: RESOURCE MOBILIZATION

a. The requests made by the Governing Body, through Resolution 3/2019 and its Annexes, related to Resource Mobilization fall into seven main work-streams:
   i. National budgets and priorities
   ii. Bilateral programs

   iv. Food processing industry Resource Mobilization strategy
   v. Innovative Funding

   vii. Visibility, outreach and communication
b. The Operational Plan identifies the major milestones and outputs within each of the above work-streams for the 2020-2025 period. These are listed below with references provided to the relevant paragraphs of Resolution 3/2019. A summary table is provided at the end of this section showing the major milestones and outputs by work-stream and biennium.

c. The outbreak of the COVID-19 pandemic, which has occurred since the adoption of the Funding Strategy, has significantly affected and will continue to affect the global policy, fiscal and operational environment. The Committee, during the biennium, may decide whether to contribute to larger development programmes to support the implementation of interventions that are aligned with the programmatic approach of the Benefit-sharing Fund\(^{23}\).

The Committee, during the biennium, may decide whether to provide project preparation funding for larger project proposal development contributing to the programmatic approach of the Fund\(^{24}\).

Opening a call for proposals:

The Secretary will provide regular updates to the Committee on the finalization of project proposals\(^{26}\).

The MEL framework will be further developed under the guidance of the Funding Committee and will link outcomes and outputs within the storyline and Theory of Change of the Benefit-sharing Fund with clear targets and indicators established to enable the monitoring and evaluation of projects and programmes. The MEL framework will include but not be limited to the following targets:

The Standing Committee on the Funding Strategy and Resource Mobilization (the Funding Committee) established by the Governing Body will facilitate such processes.

(The Governing Body) Calls on the Funding Committee to strengthen the monitoring and reporting of the Funding Strategy, including by undertaking periodic overviews of finance flows to areas of Treaty implementation by combining existing tools, as well as those of Governing Body and other institutions such as the OECD and FAO, as well as expert input;

The Funding Committee established by the Governing Body will regularly monitor and review progress of the Funding Strategy’s implementation and make recommendations for adjustments, as reflected in its Terms of Reference. The Terms of Reference may be revised according the cycles of Funding Strategy. The Committee will keep the Governing Body updated on a regular basis on the progress in the implementation of the Funding Strategy. It will provide a comprehensive review of the Funding Strategy after a 5-year period for the consideration of the Governing Body at its subsequent session.

Information related to the implementation, monitoring and review of the overall Funding Strategy will be provided by Contracting Parties and other relevant organizations at reporting intervals agreed to by the Committee. The Funding Committee will work in collaboration with the Compliance Committee so as to agree the best way to integrate information in existing reporting formats.

The Funding Committee will assist the Governing Body in exercising its functions with respect to the Funding Strategy of the International Treaty through activities such as:

k. Considering options on how to address data gaps in order to revise assumptions and refine estimates, as necessary, to obtain an achievable target for the overall Funding Strategy

The targets of the Funding Strategy and Benefit-sharing Fund will be reviewed periodically. This will include monitoring progress towards targets, reviewing the targets themselves and identifying gaps, including by undertaking overviews of finance flows to areas of Treaty implementation by combining existing tools of the Governing Body and other institutions such as the OECD and FAO, as well as expert input.
