SAFETY AT SEA

BE AWARE OF MAN OVERBOARD BOTH AT SEA AND IN HARBOR

Throw a lifebuoy as near
▲ to them as possible

Keep constant sight of
▲ the person in the water

Do not jump into the
▲ water to assist

Raise the alarm, shouting,
▲ **MAN OVERBOARD!**

▲ **Attract attention**

When the vessel capsizes,
stay with the vessel until
rescue. The vessel is often
the most important
▲ floating device
