SWM SUSTAINABLE WILDLIFE MANAGEMENT PROGRAMME

SIDE EVENT – COP 15 CONVENTION ON BIOLOGICAL DIVERSITY

Wild meat and the post-2020 Global Biodiversity Framework: highlights from the Sustainable Wildlife Management Programme

📅 Tuesday, 13 December 2022, 13.15 (GMT-5)

📍 GRULAC Meeting Room, 511A-D & online (Zoom)

In this exciting side-event, the *Sustainable Wildlife Management Programme* will present how the Decision 14/7 on sustainable wildlife management and the Voluntary Guidance for a sustainable wild meat sector adopted by CoP14 can be implemented in different contexts.
