

8. Providing separate, clean and reliable water for people and wildlife

HOW ARE WE SUPPORTING COMMUNITY CONSERVANCIES?

©FAO/David Mansell-Moul

3. Assisting communities in their land use planning

7. Building viable nature-based businesses

6. Reducing
human-wildlife conflict
with better livestock
enclosures and land use
planning

5. Increasing wildlife populations through restocking and ecological restoration

4. Supporting ecological surveys, monitoring and patrols

Working together with partners in the Kavango Zambezi Transfrontier Conservation Area (KAZA) in Botswana, Namibia, Zambia and Zimbabwe.
