

OUTCOME OF JWG4

Recommendations*

Agenda item 5

**UPDATE BY THE SECRETARIATS ON
THE STATUS OF IUU FISHING
(RESPONSIBILITIES OF FLAG STATES,
PORT STATES, COASTAL STATES,
MARKET STATES, FISHING
PERSONNEL TRAINING/PROVIDING
STATES, AND STATES WITH FLEET
MANAGING, FOOD PROCESSING AND
FOOD DISTRIBUTION COMPANIES)**

Noting that States have obligations under instruments covering fisheries, maritime and labour affairs, JWG 4 recommended that FAO, ILO and IMO promote and support the development of ways to increase coordination and information sharing for inspection and control procedures at national level, including through technical assistance to developing countries, thereby increasing efficiency and effectively supporting the implementation of the respective instruments.

Agenda item 6

GLOBAL LEGAL FRAMEWORK

6.1 Further to the consideration of document JWG 4/6 on the *IMO Action Plan on marine litter from ships* and the actions related to fishing vessels, JWG 4 recommended that members and observers of FAO and ILO bring forward relevant comments and viewpoints, following further national and international coordination, to the respective meetings of IMO bodies, where the implementation of the actions contained in the *IMO Action Plan on marine plastic litter from ships* will be further discussed.

6.2 JWG 4 also recommended that IMO consider developing guidance to assist competent authorities in the implementation of the Cape Town Agreement of 2012 on the Implementation of the Provisions of the 1993 Protocol relating to the Torremolinos International Convention for the Safety of Fishing Vessels, 1977, through the most appropriate process. The

* As recorded and prepared by the Joint Secretariat, prior to finalization of the report of JWG 4 in consultation with participants

process of developing guidance should allow for further discussion on its content and scope and be informed by FAO, ILO, other relevant Organizations and stakeholders.

Agenda item 7**STATUS OF COMBATING IUU FISHING
INTERNATIONAL, REGIONAL AND
NATIONAL INTERAGENCY
COORDINATION TO COMBAT IUU
FISHING, FISHERIES-RELATED CRIMES
AND CRIMES ASSOCIATED WITH
FISHERIES**

7.1 JWG 4 recommended that various regional PSC inspection regimes consider opportunities to coordinate their activities and to share information about various inspections under FAO/ILO/IMO instruments.

7.2 JWG 4 also recommended that FAO and IMO, together with ILO and relevant organizations and regimes, as appropriate, consider developing guidance to facilitate cooperation, coordination and information-sharing between authorities carrying out inspections in ports of the merchant and fishing sectors, in line with relevant international instruments related to fishing vessels, fishing vessel personnel and fishing operations.

7.3 JWG 4 welcomed the initiative of the Indian Ocean MoU on Port State Control (IOMOU) to explore a collaborative programme with the Indian Ocean Tuna Commission (IOTC), pending consideration by the members of the latter. In this context, JWG 4 further recommended further exchange between IOMOU and IOTC, as well as potential similar contact opportunities in other regions, for mutual awareness and the consideration of training material, as appropriate.

Agenda item 8**COOPERATION AND DIALOGUE ON
LABOUR ISSUES AND FISHERIES**

8.1 JWG 4 recommended that FAO, ILO and IMO work together on the proposals contained in document JWG 4/8/2, taking into account the discussions on this item, as well as the responsibilities of flag States under UNCLOS; the lessons learned from the ILO SEA Fisheries project and the SEA Forum for Fishers; and the outcome of the EU social partners' initiative to produce guidelines for decent recruitment, placement and posting of (migrant) fishers. JWG 4 recommended that the outcome of this joint work be submitted to JWG 5, as appropriate.

8.2 JWG 4 also recommended that the work of ILO and IMO, with respect to the issues of abandonment and fair treatment of seafarers, be extended to include fishers.

8.3 JWG 4 further recommended that FAO consider how to promote fisheries observer safety globally, through the most appropriate process. This process should review available information and existing national and regional measures on the safety, security and working and living conditions of fisheries observers under existing observer programmes and be informed by IMO, ILO, other relevant Organizations and stakeholders, while taking into account the views expressed during the discussions on this item.

Agenda item 9**COOPERATION AND DIALOGUE ON ENVIRONMENTAL ISSUES RELATED TO FISHERIES (E.G. MARINE DEBRIS)**

JWG 4 recommended that the FAO/ILO/IMO Secretariats consider a joint intervention and/or commitment during the 2020 UN Ocean Conference (Lisbon, 2-6 June 2020) to raise awareness on its joint work on IUU fishing and related matters.

Agenda item 10**JOINT/GLOBAL CAPACITY DEVELOPMENT PROGRAMMES (INCLUDING PSMA/IUU FISHING, MARINE DEBRIS, ALDFG, PORT RECEPTION FACILITIES AND WASTE MANAGEMENT, REGULATORY ASPECTS OF MARPOL ANNEX V, AND THE LC/LP)**

Following consideration of document JWG 4/10/1, JWG 4 recommended that the FAO/ILO/IMO Secretariats, WMU, WFU, IMLI, ILO International Training Centre, any relevant UN-Agency such as IOC-UNESCO, and other interested stakeholders, cooperate in the exchange of information and experience in the context of the scope and content of a potential integrated capacity-building and technical cooperation programme on IUU fishing and promotion of international instruments relevant to fishing, taking into consideration existing implementing tools and material.

Agenda item 11**STATUS OF DEVELOPMENT OF THE FAO'S GLOBAL RECORD OF FISHING VESSELS, REFRIGERATED TRANSPORT VESSELS AND SUPPLY VESSELS AND IMO SHIP IDENTIFICATION NUMBER SCHEME (RESOLUTION A.1078(28))**

11.1 JWG 4 recommended that the Member States of FAO, IMO and ILO, as appropriate, and Regional Fisheries Management Organizations, consider taking appropriate action for the effective allocation of IMO ship identification numbers to fishing vessels.

11.2 JWG 4 also recommended that the FAO Member States consider the application of the IMO Ship Identification Number Scheme to eligible vessels conducting fishing and fishing-related activities, as per IMO resolution A.1117(30) in the framework of the Global Record.

11.3 JWG 4 further recommended that the review of the IMO Ship Identification Number Scheme be carried out at IMO, as may be necessary, in cooperation with FAO and ILO, as appropriate.

Agenda item 12**AGENCIES' REVIEW PROCESSES OF, AND FOLLOW-UP ACTIONS TO, THE REPORT AND RECOMMENDATIONS OF JWG 4**

JWG 4 recommended that the FAO/ILO/IMO Secretariats bring its recommendations to the consideration of their appropriate bodies.

Agenda item 13

**FUTURE COLLABORATION BETWEEN
FAO, ILO AND IMO AND PREPARATION
OF JWG 5**

Following consideration of document JWG 4/J/3, JWG 4 recommended that relevant FAO, ILO and IMO bodies review the terms of reference of the JWG with a view to providing directions to the FAO/ILO/IMO Secretariats for the development of draft rules of procedure and revised terms of reference to be considered at, and adopted, as appropriate, by JWG 5.
