This Session was held with the sole purpose of adopting the new Rules of Procedure of the Commission. The two-thirds quorum, that was needed to adopt the new Rules of Procedure, was reached and the new Rules of Procedure were eventually adopted by voting with 25 affirmative votes, two negative votes and one abstention. ## **I. OPENING OF THE SESSION AND ADOPTION OF THE AGENDA**

1. The European Inland Fisheries and Aquaculture Advisory Commission (EIFAAC) held its First Special Session in Rome, Italy, on 27 October 2011.
2. The First Special Session was chaired by Mr Tomás Brenner and attended by delegates from 30 Members of EIFAAC listed in Appendix B to this report. The necessary quorum for the Session to adopt the revised Rules of Procedure was reached as more than two-thirds of the Members of the Commission attended.
3. The First Special Session was opened by Mr Tomás Brenner as Chairperson.
4. The Session was informed that the European Union was participating in accordance with paragraphs 8 and 9 of Article II of the FAO Constitution. The Session subsequently adopted the Agenda which can be found in Appendix A to this report.

## **II. ADOPTION OF THE NEW RULES OF PROCEDURE**

5. The Chairperson, recalling the restructuring process of EIFAAC, noted that the purpose of this Session was to adopt the revised Rules of Procedure which had already been reviewed, largely discussed and agreed upon at the Twenty-sixth Session of the Commission in Zagreb, Croatia, in May 2010 and finalized at the meeting in Rome on 22 November 2010.
6. The Chairperson recalled that it was originally planned to hold the Special Session for the Adoption of the new Rules of Procedure on 29 April 2011, noting with disappointment that it had to be cancelled because only twenty-two Members had confirmed their participation within the required time and hence a two-third quorum would not have been reached at the Session.
7. The Commission then considered the revised Rules of Procedure which were contained in document EIFAAC/SSI/2011/2. The Members welcomed in general the revised Rules of Procedure.
8. The delegate from Greece referred to Rule II.6.a, which required that a function and duty of the EIFAAC Operational Focal Point was to "*ensure that his/her country is represented at each Session by a National Delegation and participate regularly in such Sessions*", and stated that compliance may be difficult for economic reasons. The Session agreed to amend this subparagraph to read as follows: "*[...] facilitate the representation of his/her country at each Session by a National Delegation and regular participation in such Sessions*".
9. Rule XIII entitled "Language" which provides that "*English shall be the working language of the Commission*" was subsequently subject to a lengthy discussion. The delegates from France and Spain objected to this provision. The delegate of France observed that EIFAAC, being a regional fishery body under the FAO Constitution, and French, being one of FAO's official languages, France could not agree to the content of Rule XIII. She added that if the current wording was retained, France would not be in a position to vote the adoption of the revised Rules of Procedure and claimed the right for France to have at future EIFAAC Sessions all documents translated into French. The delegate of Spain stated that Spain would also vote against such adoption. Other delegates recalled that the primary objective of the present wording of Rule XIII was to reduce the overall costs of EIFAAC Sessions and noted that the revised Rules of Procedure, as presented to the Commission, were in principle agreed to during Twenty-sixth Session of the Commission in Zagreb in May 2010.
10. However, no compromise could be found on the contents of Rule XIII.
11. The Chairperson then called for a vote of the revised Rules of Procedure. The Commission adopted through nominal vote the Rules of Procedure set out in Appendix C to this Report. The results

were as follows: 25 affirmative votes, two negative votes and one abstention. Therefore, as established in Rule XII of the Rules of Procedure still in force, the new Rules were adopted by more than a two-thirds majority of the membership of the Commission.

### **III. ANY OTHER MATTERS**

12. The delegate from Finland invited the participants to the Twenty-seventh Session of EIFAAC, to be held in Hämeenlinna, Finland, from 13 to 15 June 2012, with a Symposium preceding the Session on 11 and 12 June 2012.

### **IV. CLOSING OF THE SESSION**

13. The Chair thanked the participants, interpreters and the EIFAAC Secretariat, and closed the Special Session at 11.25 hours.
