

3 TIPS BEFORE THE CONFERENCE

CHOOSE AN ECO-FRIENDLY ACCOMMODATION

Hotels can consume great quantities of energy and water to provide comfort and luxury.

Check the [list of the eco-friendly hotels](#) in Rome that are part of the FAO/IFAD/WFP's Preferred Hotel Programme and choose a green option!

BRING YOUR OWN REFILLABLE BOTTLE

Did you know that it takes around 4 liters of water to make one-liter plastic bottle? At FAO HQ you can, bring your refillable water bottle!

You will be able to refill it at one of the existing water dispensers, which provide normal cold or sparkling options.

OFFER A GREEN SNACK

Are you planning to offer a coffee break?
Choose a sustainable menu!

FAO has designed these menus according to a detailed analysis of what constitutes a sustainable diet in Rome. Contact the [FAO Catering Team](#) for info and a quotation.
