COUNCIL

Hundred and Thirty-first Session

Rome, 20 – 25 November 2006

Addendum to the Status of Contributions at 17 November 2006

CONTRIBUTIONS FROM THE RUSSIAN FEDERATION

1. The attention of Council Members is drawn to the fact that on 30 August 2006 the Russian Federation paid in full its contributions for 2006, amounting to US\$ 1,464,324.65 and €1,466,394.25. Russia also paid in full its contribution to the Working Capital Fund, amounting to US\$ 276,500.00. In 2007, assessments for the Russian Federation will amount to US\$ 1,952,432.86 and €1,955,192.33. The Finance Committee and Programme Committee have recommended to Council that Russia's contributions in 2006-2007 be treated as miscellaneous income to partially fund the General Service Salary increase resulting from the ICSC survey. The contributions of the Russian Federation are therefore excluded from the data contained in document CL 131/LIM/1, which refer to contributions established in the 2006-2007 budget appropriation.

For reasons of economy, this document is produced in a limited number of copies. Delegates and observers are kindly requested to bring it to the meetings and to refrain from asking for additional copies, unless strictly indispensable.
