Update on the WFP Management Plan (2019-2021)

6. The Committee considered the *Update on the WFP Management Plan (2019-2021)* which included an overview of specific changes to the WFP Management Plan on account of a proposed new organizational structure and welcomed the Executive Director's decision to submit the document for the Board's approval.

7. The Secretariat confirmed that the Board would be kept informally apprised of the review of the terms of reference of the Regional Bureaux as soon as possible.

- c) **recognizing the significance of the changes proposed to the organizational structure, recommended that more time be given to reviewing the proposals and addressing the concerns raised by Members, including through further informal consultations;**
- d) **emphasized the importance of following required procedures when presenting the Governing and Advisory Bodies with any changes to the Management Plan, including changes to the organizational structure; and**
- e) **recommended that, in accordance with Financial Regulation 9.1, the WFP Executive Board wait for the views of the Advisory Committee on Administrative and Budgetary Questions (ACABQ) prior to taking a decision on the approval of the *Update on the WFP Management Plan (2019-2021)* at the following session of the Executive Board.**
