### FAO’s Technical Cooperation Programme

17. Consultation(s) with Members regarding the relevant TCP criteria and requested an update. **REFERENCE:** CL 165/10 para. 17 i), 17 j); CL 166/8 para. 12

The 166th Session of the Council held in May 2021 underlined the recommendation for Management to complete a strategic exercise with the aim […] to refine the Technical Cooperation Programme (TCP) criteria of resource allocation to Regions. As an immediate follow-up, the strategic exercise has been initiated and two informal consultations with Members on TCP allocation of resource shares to regions were already held on 16 July and 10 September 2021. The progress in supporting Members to review the TCP regional shares and the outcome of the consultations will be presented to the Joint Meeting of the 132nd Session of the Programme Committee and the 188th Session of the Finance Committee.

### EVALUATION MATTERS

#### Evaluation of FAO’s role and work on Antimicrobial Resistance

18. Requested FAO to engage in the development of a long-term, science- and evidence-based strategy on AMR based on an inclusive process with the membership. **REFERENCE:** CL 166/9 para. 22 b)

A brainstorming meeting was organized through the AMR Working Group to discuss the strategy's way forward and critical elements. It was agreed that the FAO strategy would fit the FAO Strategic Framework 2022-31 and align with the tripartite AMR strategic framework (the TPT AMR SF is not finalized yet).

#### Evaluation of FAO’s support to climate action (SDG13) and the implementation of FAO Strategy on Climate Change (2017)

19. Inclusive consultations to start the development of a new FAO Strategy on climate change. **REFERENCE:** CL 166/9 para. 23 n); CL 166/REP para. 24 i)

June 2022

The process has been initiated with the organization of consultations to Members and partners. An annotated outline of the strategy will be presented at the 132nd Session of the Programme Committee, where this item is included in its Provisional Agenda.

20. Invited the Office of Evaluation to organize informal presentations on: the evaluation of humanitarian – development – peace nexus, the real time evaluation of FAO’s desert locust response, the evaluation on International Plant Protection Convention (IPPC), if so decided by the Governing Bodies of the IPPC, the evaluation of the Lake Chad strategy, and Evaluation of the Regional Office for Latin America and the Caribbean **REFERENCE:** CL 165/10 para. 20 b)

Pending informal presentations on the Evaluation of the Regional Office for Latin America and the Caribbean and the Desert Locust will be delivered early 2022.
