12. The Committee reviewed document CCLM 118/3 “*International Civil Service Commission (ICSC) – Proposal to amend the ICSC Statute*” and the amendments proposed to the Statute of the ICSC.

13. The Committee observed that the proposed amendments contribute to clarifying the authority and competence of the ICSC to establish the post adjustment multipliers under Article 11 of its Statute.

14. Noting that the proposed amendments to the ICSC Statute do not entail any changes to the legal framework of the Organization, the Committee invited the Council to recommend to the Conference to accept the amendments proposed to the ICSC Statute as set out at paragraph 18 of document CCLM 118/3.
