Resolution 1/153
Abolition of the FAO/ECE/CES Study Group on
Food and Agricultural Statistics in Europe

THE COUNCIL

Recalling that the FAO/ECE/CES Study Group on Food and Agricultural Statistics in Europe was established under Article VI, paragraph 1, of the FAO Constitution following the recommendations of the ECE Committee on Agricultural Problems at its Eleventh Session (1959) and the suggestion of the Conference of European Statisticians (CES) at its Seventh Session, to review the state of food and agriculture statistics in Europe, to advise Member Nations on the development and standardization of agricultural statistical services, and to convene expert groups or other Subsidiary Bodies of national experts required for this purpose;

Further recalling Resolution 13/97 in which the Conference, *inter alia*, proposed abolition of the Study Group subject to consultations with the relevant sponsoring organizations, and the subsequent decision of the Council at its 116th Session in 1999 to maintain the Study Group following such consultations with the Conference of European Statisticians of the United Nations Economic Commission for Europe, due to its role in the development of food and agricultural statistics in Europe;

Bearing in mind Resolution 11/2015 adopted by the FAO Conference at its 39th Session reaffirming the validity of Resolution 13/97 and requesting “*the Secretariat to take an active role in identifying statutory bodies that the Council or Conference may wish to abolish because they are inactive or are mandated to discharge functions that could be undertaken through more flexible task-oriented and time-bound working arrangements*”;

Observing that the Study Group held its last meeting in 2005, and that the Conference of European Statisticians and the Organization concur that the Study Group is inactive and that, while the original goals of the Study Group remain relevant, the gap created by abolishing the body can be addressed through alternative mechanisms;

Hereby abolishes the FAO/ECE/CES Study Group on Food and Agricultural Statistics in Europe.

Amendments to the Constitution of the European Commission for the Control of Foot-And-Mouth Disease

THE COUNCIL

Recalling the Conference's approval of the Constitution of the Commission for the Control of Foot-and-Mouth Disease under Article XIV of the FAO Constitution at its Seventh Session in 1953, which Constitution came into force on 12 June 1954;

Further recalling amendments to the Constitution agreed at the 9th, 20th, 22nd, 28th and 32nd Sessions of the Commission, and subsequently approved by the 39th, 72nd, 96th and 113th Sessions of the Council, respectively;

Recalling also that the Commission, at its 41st Session held in Rome, Italy, from 23 to 24 April 2015, approved further amendments to the Constitution;

Having considered the report of the 101st Session of the Committee on Constitutional and Legal Matters, and **noting** that the Committee found that amendments would not involve new obligations for Members of the Commission and would, accordingly, come into force upon receiving the concurrence of the Council;

Approves the amendments to the Constitution of the European Commission for the Control of Foot and Mouth Disease, in accordance with Article XIV(5), as set out below.

(Adopted on 4 December 2015)
