Tool description:

This file provides examples of the raw data and related tables as diagrams that were created for the Greater Golden Horseshoe (GGH) food flow analysis. Data are provided for carrots, apples, potatoes, chicken, eggs and beef in one worksheet. This data is provided for each of the regions within the GGH CRFS. In addition, bar graphs and pie charts are available. Improved understanding about the flow of foods within in a CRFS with the potential to improve rural-urban linkages.
