

## **CFS 39: Global and Regional Coordination and Linkages with CFS Session Guidelines**

### **1. Objective**

The objective of this agenda item is to strengthen linkages and collaborative actions between CFS and selected global and regional food security and nutrition initiatives. During this session CFS delegates will be updated on the current linkages between the presented initiatives and CFS, and are invited to suggest recommendations on how these linkages can be strengthened in the future to contribute to the overall CFS objective of reducing hunger and malnutrition.

### **2. Format**

The session will take the form of a discussion panel with a Facilitator. The Chair will hand over the session to the Facilitator who will introduce the panel. The panel will be made up of a mix of global and regional food security and nutrition initiatives.

Following the presentations, the Facilitator will direct questions at the panellists and take questions from the floor and then will summarize the session.

### **3. Discussion Questions**

Each panellist will be asked to speak for a maximum of five minutes. The following guiding questions will be used as a basis for the presentations:

- What are the current linkages between the initiative and CFS?
- How can CFS support the achievement of the initiative's goals?
- How can the initiative support CFS?
- How can the linkages between the initiative and CFS be strengthened to have a greater impact on enhancing food security and nutrition for all?
