

## **CONTENTS**

### **EXECUTIVE SUMMARY**

**vii - xiv**

### **CHAPTER 1**

#### **INTRODUCTION**

**1**

- 1.1 Background 1
- 1.2 Objectives 2
- 1.3 Scope and Coverage 2
- 1.4 Approach and Methodology 3
- 1.5 Organization of the Report 4

### **CHAPTER 2**

#### **CONCEPTUAL FRAMEWORK FOR THE ANALYSIS OF FOOD SECURITY AND POVERTY**

**6**

- 2.1 Poverty: Concepts and Analysis 6
- 2.2 Food Security: Concepts and Analysis 10

### **CHAPTER 3**

#### **ECONOMY, POVERTY AND FOOD SECURITY**

**13**

- 3.1 Physiography and Administration 13
- 3.2 Growth record: Overall Economy and Components 13
- 3.3 The Poverty and Food Insecurity Situation and Underlying Causes 18
- 3.4 Food security 23
- 3.5 Forces Contributing to Poverty and Food Insecurity 29
- 3.6 Historical Roots of Institutional Dimensions of Poverty and Food Security 49

### **CHAPTER 4**

#### **THE MACRO POLICY AND INSTITUTIONAL ENVIRONMENT**

**54**

- 4.1 Development Strategy 54
- 4.2 Economy-wide Policy on Poverty Alleviation and Food Security 56
- 4.3 Sectoral Policies and Strategies for Poverty Alleviation and Food Security 58
- 4.4 Institutional Framework for Planning, Development and Policy Implementation 64
- 4.5 The NGO Sector 66
- 4.6 The Private Sector 69
- 4.7 Important Legal and Customary Institutions 69
- 4.8 Decentralization and Poverty Reduction 70
- 4.9 Institutional Adequacy and Gaps 72

## **CHAPTER 5**

<b>THE MESO SETTING: INTERMEDIATE PROCESSES AND LINKAGES</b>	<b>76</b>
5.1 Effects and Impacts on Consumption, Savings and Investment	76
5.2 Effects and Impacts on Government Revenues and Expenditures	76
5.3 Effects and Impacts on the External Sector	77
5.4 Impact on Prices and Economic Incentives	78
5.5 Effects and Impacts on Social and Development Infrastructure	87
5.6 Effects of Recent APP Strategy on Agricultural Production and Productivity	98
5.7 Impact of the APP on Food Security	110
5.8 Impact on Poverty	120
5.9 Programme Management, Monitoring and Evaluation	122
5.10 Key Findings	123

## **CHAPTER 6**

<b>THE MICRO SETTING: HOUSEHOLD RESPONSES AND OUTCOMES</b>	<b>130</b>
6.1 Major Characteristics of the Study Sites	130
6.2 Poverty, Food Security and Gender Issues	133
6.3 Development Opportunities and Interventions	136
6.4 Conclusion from the Village PRAs	137
6.5 Linking the Meso and Micro Levels	140
6.6 Micro Effects of Macro Policy	144

## **CHAPTER 7**

<b>A POLICY AND INVESTMENT FRAMEWORK FOR POVERTY ALLEVIATION AND FOOD SECURITY IN NEPAL</b>	<b>151</b>
7.1 Background and Policy Contours	151
7.2 Strengthening Agricultural Sector Production Base	155
7.3 Strengthening Participatory Institutional Arrangements	160
7.4 Gender Sensitive Rural and Agricultural Development Strategies	163
7.5 Child Development, Education and School Feeding Programmes	164
7.6 Infrastructure Development and Employment Guarantee Schemes	166
7.7 Social Safety Nets and Welfare Supports	167
7.8 Investment Framework and Market-State Synergies	168
	<b>171</b>

## **REFERENCES**

<b>APPENDIX TABLES</b>	<b>A1-A20</b>
------------------------	---------------

## **ANNEXES**

**Annex 1:** Addressing the Agricultural Concerns of Rural Poverty and Sustainable Household Food Security

**Annex 2:** Addressing the Institutional Concerns of Poverty and Food Security

**Annex 3:** Gender and Nutritional Concerns of Poverty Alleviation and Food Security in Nepal

**Annex 4:** Assessing the Poverty and Food Security Situations at the Micro-Level through Participatory Rural Appraisal

## LIST OF TABLES

Table 1.1	Villages Selected for Field Study
Table 1.2	Participatory Rural Appraisal Tools Used in the Study
Table 3.1	Ecological Belts of Nepal
Table 3.2	Real GDP Growth
Table 3.3	Structure of Real Gross Domestic Product
Table 3.4	Growth in Real Per Capita GDP
Table 3.5	Structure and Growth of Consumption, Savings and Investment
Table 3.6	Structure and Growth of Government Revenue and Expenditure
Table 3.7	Growth in Foreign Aid in the 1990s
Table 3.8	Trends in Foreign Trade
Table 3.9	Households and Population below Poverty Line in 1977
Table 3.10	Households and Population with Expenditure and Income below Minimum Subsistence Levels in Regions of Nepal, 1977.
