

## LIST OF COLOUR PLATES

### PLATE I

1. *Aethaloperca rogae*
2. *Anyperodon leucogrammicus*
3. *Cephalopholis argus*
4. *Cephalopholis cyanostigma*
5. *Cephalopholis igarashiensis*
6. *Cephalopholis miniata*
7. *Cephalopholis sexmaculata*
8. *Cephalopholis sonnerati*

### PLATE II

9. *Cephalopholis urodeta*
10. *Cromileptes altivelis*
11. *Epinephelus akaara*
12. *Epinephelus amblycephalus*
13. *Epinephelus areolatus*
14. *Epinephelus awoara*
15. *Epinephelus bleekeri*
16. *Epinephelus caeruleopunctatus*

### PLATE III

17. *Epinephelus chlorostigma*
18. *Epinephelus coioides*
19. *Epinephelus cyanopodus*
20. *Epinephelus epistictus*
21. *Epinephelus fasciatomaculosus*
22. *Epinephelus fasciatus*
23. *Epinephelus faveatus*
24. *Epinephelus hexagonatus*

### PLATE IV

25. *Epinephelus irroratus*
26. *Epinephelus latifasciatus*
27. *Epinephelus longispinis*

28. *Epinephelus macrospilos*
29. *Epinephelus maculatus*
30. *Epinephelus magniscuttis*
31. *Epinephelus malabaricus*
32. *Epinephelus merra*

### PLATE V

33. *Epinephelus morrhua*
34. *Epinephelus ongus*
35. *Epinephelus polystigma*
36. *Epinephelus quoyanus*
37. *Epinephelus radiatus*
38. *Epinephelus retouti*
39. *Epinephelus rivulatus*
40. *Epinephelus sexfasciatus*

### PLATE VI

41. *Epinephelus spilotoceps*
42. *Epinephelus stictus*
43. *Epinephelus tauvina*
44. *Epinephelus trimaculatus*
45. *Epinephelus tukula*
46. *Epinephelus undulatostratus*
47. *Gracila albomarginata*
48. *Plectropomus areolatus*

### PLATE VII

49. *Plectropomus laevis*
50. *Plectropomus leopardus*
51. *Plectropomus maculatus*
52. *Plectropomus oligacanthus*
53. *Plectropomus pessuliferus marisrubri*
54. *Saloptia powelli*
55. *Variola albimarginata*
56. *Variola louti*

# **COLOUR PLATES**

**Family Serranidae** (pages 2442 to 2548)

**Photographs by J.E. Randall**

**Abbreviation used: SL = standard length**

PLATE I

1. *Aethaloperca rogae* 29.5 cm SL, Bahrain

2. *Anyperodon leucogrammicus* 24.2 cm SL, Palau

3. *Cephalopholis argus* 23.2 cm SL, Teavaraa Pass, Tahiti

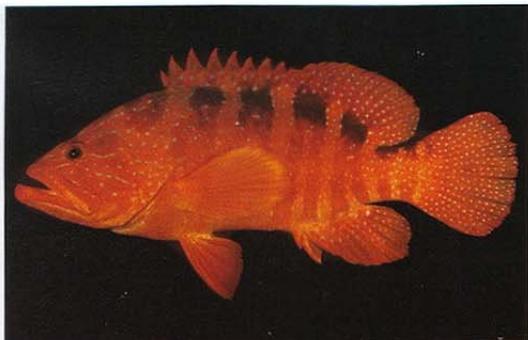

4. *Cephalopholis cyanostigma* 20.6 cm SL, Ambon Bay, Indonesia

5. *Cephalopholis igarashiensis* 14.9 cm SL, Naha, Okinawa, Ryukyu Islands

6. *Cephalopholis miniata* 25.4 cm SL, Ishigaki, Ryukyu Islands

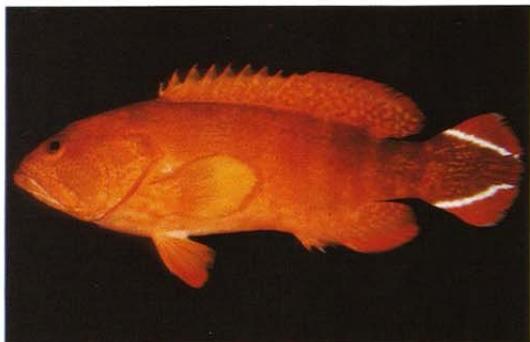

7. *Cephalopholis sexmaculata* 25.6 cm SL, Hiva Oa, Marquesas Islands

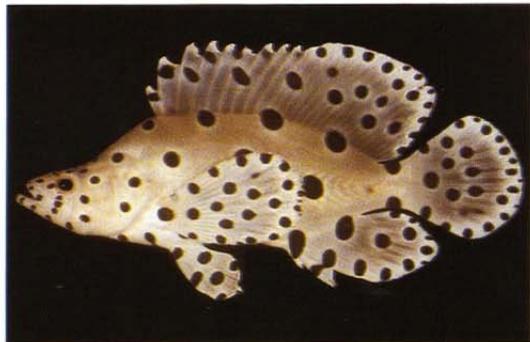

8. *Cephalopholis sonnerati* 16.2 cm SL, Tutuila, American Samoa

PLATE II

9. *Cephalopholis urodeta* 15.3 cm SL, Tetiaroa Atoll, Society Islands

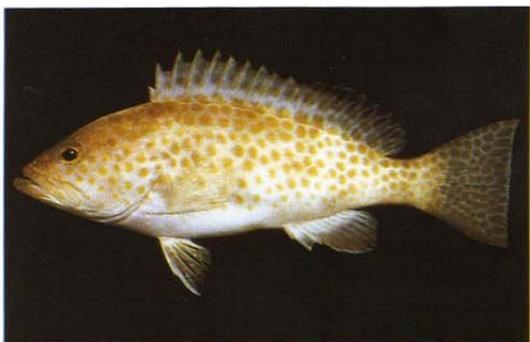

10. *Cromileptes altivelis* 9.3 cm SL, One Tree Island, Great Barrier Reef, Australia

11. *Epinephelus akaara* 29.8 cm SL, Hong Kong

12. *Epinephelus amblycephalus* 32.2 cm SL, Dumaguete, Negros, Philippines

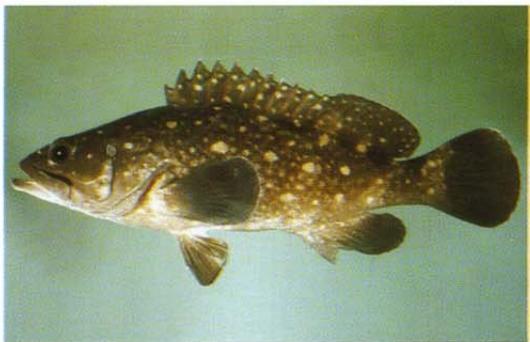

13. *Epinephelus areolatus* 26.2 cm SL, Nuweiba, Sinai, Egypt

14. *Epinephelus awoara* 20.8 cm SL, Keelung, Taiwan Province of China

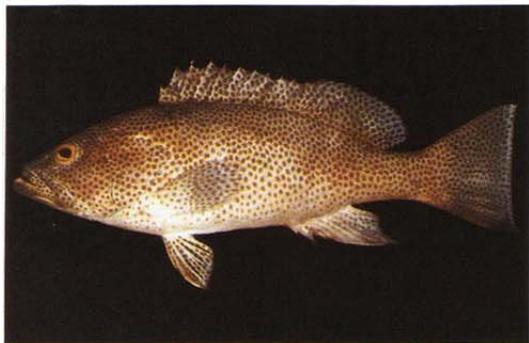

15. *Epinephelus bleekeri* 14.8 cm SL, Batu Nampar, Lombok, Indonesia

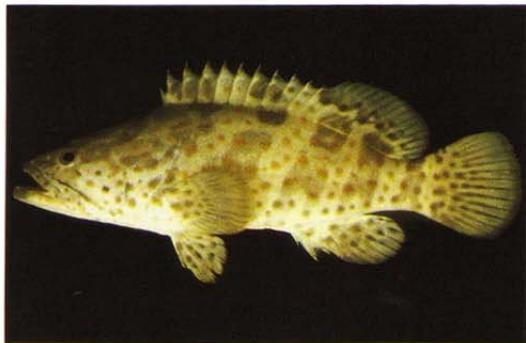

16. *Epinephelus caeruleopunctatus* 23.7 cm SL, Alite Reef, Solomon Islands

PLATE III

17. *Epinephelus chlorostigma* 32.7 cm SL, Port Sudan, Sudan

18. *Epinephelus coioides* 17.5 cm SL, Jakarta, Indonesia

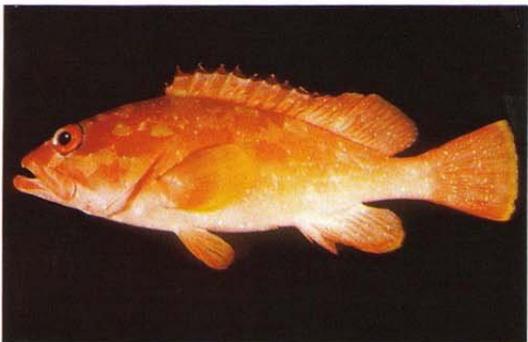

19. *Epinephelus cyanopodus* 14.5 cm SL, Manila, Philippines

20. *Epinephelus epistictus* 44 cm SL, Ambon, Indonesia

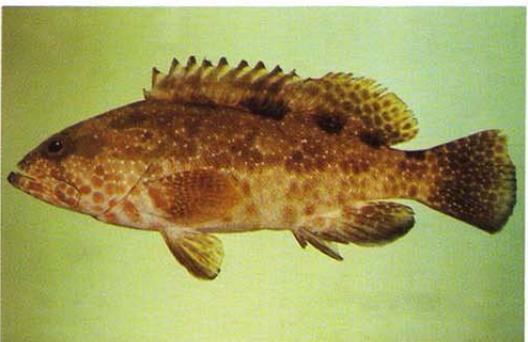

21. *Epinephelus fasciatomaculosus* 8.5 cm SL, Yeh-Liu, Taiwan Province of China

22. *Epinephelus fasciatus* 21.3 cm SL, Teavaraa Pass, Tahiti

23. *Epinephelus faveatus* 22.5 cm SL, Batu Nampar, Lombok, Indonesia

24. *Epinephelus hexagonatus* 16 cm SL, Enewetak, Marshall Islands

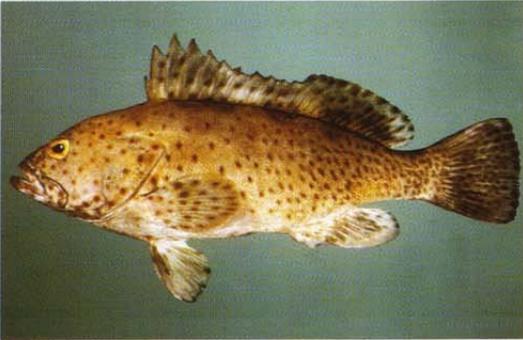

PLATE IV

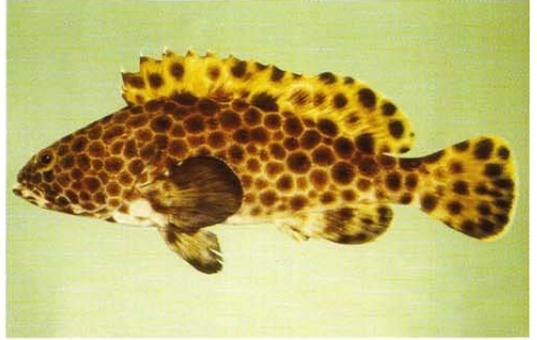

25. *Epinephelus irroratus* 27.9 cm SL, Ua Huka, Marquesas Islands

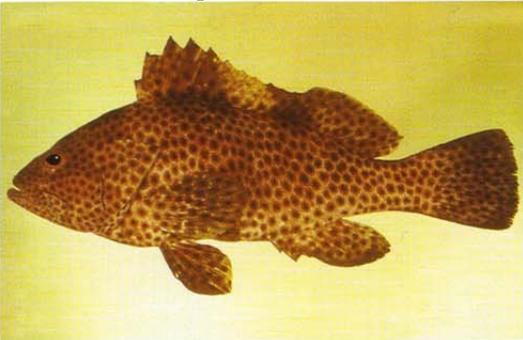

26. *Epinephelus latifasciatus* 27.4 cm SL, Cochin, India

27. *Epinephelus longispinis* 30.2 cm SL, Batu Nampar, Lombok, Indonesia

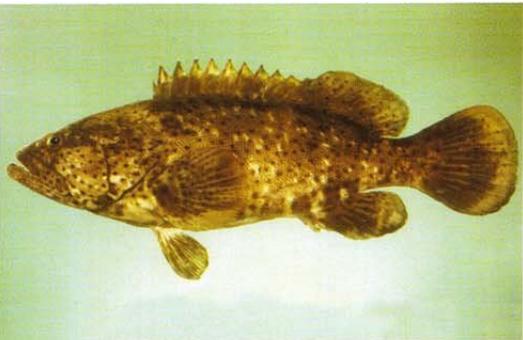

28. *Epinephelus macrospilos* 18.6 cm SL, Sodwana Bay, Natal, South Africa

29. *Epinephelus maculatus* 26.3 cm SL, Enewetak, Marshall Islands

30. *Epinephelus magniscuttis* 33.5 cm SL, Sodwana Bay, Natal, South Africa

31. *Epinephelus malabaricus* 31.7 cm SL, Cochin, India

32. *Epinephelus merra* 9.3 cm SL, Lord Howe Island, Australia
