WATER IS LIFE IS FOOD

Discover the WFD interactive water experience

A special interactive water experience will take place during World Food Day week. Refresh your ideas about water and explore the window display showcasing water action solutions and food heroes. Head to the Atrium to discover water-action through the eyes of a child with our interactive games and make a splash on social media with our live photo mosaic wall. Then complete your visit with an immersive water experience that promises to awaken your senses and gain a greater understanding of the vital role water plays in life and food.

Book a unique group visit

From 16-20 October, register for a group visit at FAO to explore the WFD interactive water experience.
