CODEX ALIMENTARIUS COMMISSION

Forty-eighth Session

Rome, Italy

10-14 November 2025

COMMENTS OF KAZAKHSTAN

Kazakhstan welcomes the UAE proposal for Pasteurized Camel Milk Standard and strongly supports initiating new work.

We are currently conducting national research on the optimal pasteurization parameters for camel milk, which can contribute to the scientific foundation of the standard.

We recommend that CAC48 adopts the more efficient mechanism of work enable smooth process.
