Matters for information

46th Session of the Codex Committee on Food Labelling (CCFL46)¹

The CCFL Chair noted that there was no agreement to proceed with new work at this time; she proposed that a discussion paper should be developed taking into account also the outcomes of the discussion in CCFO, and that a circular letter could be issued to provide inputs into the development of the paper.

¹ The report of CCFL46 will be made available on the Codex [webpage](#) (at the time of submission of this document only the draft report was available on the CCFL46 page).
