PREPARING FOR CCAFRICA24

DRAFT GUIDELINES FOR DEVELOPING HARMONIZED FOOD SAFETY LEGISLATION FOR THE REGION AND THE REGIONAL STANDARD FOR DRIED MEAT

Objective

This informal webinar will provide an update and progress regarding ongoing work in the region on draft guidelines for developing harmonized food safety legislation for the region that were recently circulated for comments at Step 3 as well as on the draft regional standard for dried meat currently at Step 7.

Codex Members and Observers in the region will have an opportunity to learn about the status of the work and progress made since CCAFRICA23 held in September 2019. Participants will gain insight into the key issues that need to be addressed and how discussions will be framed in order to progress work on the texts at the next plenary session during CCAFRICA24.
