FAO/WHO Coordinating Committee for Africa (CCAFRICA)

Pre-CCAFRICA24 Webinar

Objective

The main objective of this webinar is to prepare the delegates to the 24th Session of the FAO/WHO Coordinating Committee for Africa (CCAFRICA24) for their active participation in the meeting. In addition to supporting first-time delegates, the webinar will also remind participants how to operate successfully in a virtual Codex session. The Chairperson will go over the agenda and explain how he plans to manage the meeting to ensure a successful outcome. The Codex Secretariat will provide general technical and logistical updates to members. Participants will gain insight into the key issues that need to be addressed and how discussions will be framed in order to progress work at the plenary session during CCAFRICA24.
