# Codex Committee on Methods of Analysis and Sampling (CCMAS)

## UPDATE ON WORK AHEAD OF CCMAS42

### Objective

The two sessions will bring CCMAS delegates up to speed on work progressing through the electronic working groups. Experts leading the work will introduce each topic, present the approach that has been taken, their preliminary findings or the status of the work and then respond to questions from participants.

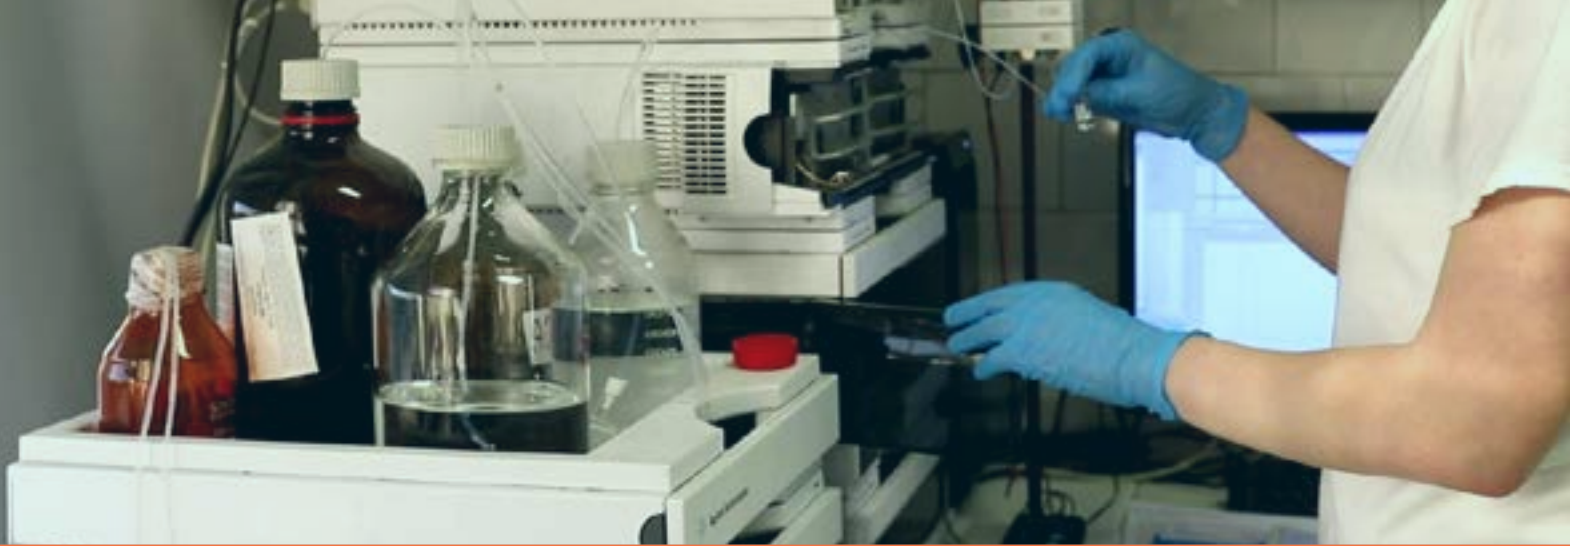

The webinar is aimed at regular CCMAS delegates and those who may be attending the committee for the first time.
