Sixth Session

Virtual

Consideration of the proposals for new work

(Comments from Saudi Arabia)

### Saudi Arabia

#### **General Comment:**

The food additive provisions currently developed or updated by the Codex Committee on Spices and Culinary Herbs are inconsistent with the section concerning herbs and spices as outlined in 12.2.1 under Codex Stan 192-1955.

Therefore, The Kingdom of Saudi Arabia suggests reconsidering the food additive provisions in connection with the work of the above committee so as to be in line with Codex Stan 192-1955. Alternatively, the committee may refer to the above-mentioned section (12.2.1 under Codex Stan 192-1995) when addressing herbs and spices.
