JOINT FAO/WHO FOOD STANDARDS PROGRAMME

CODEX COMMITTEE ON FRESH FRUITS AND VEGETABLES

# E

*Tenth Session,  
Mexico City, Mexico, 10-14 June 2002*

**Proposals for Amendments to the priority list for the Standardization of Fresh Fruits and Vegetables**

## ***EUROPEAN COMMUNITY***

The European Community wishes avocado y pineapples to be added to the priority list for the standardisation of fresh fruit and vegetables, in view of elaborating revised Codex standards for these two products. This would allow recent developments of trade practices and discussions held at UN/ECE level on these products that led to the adoption of recommendations to their respect, to be taken into account.
