Item 4a	<p>Draft Codex Standard for Certain Canned Vegetables (general provisions) (ALINORM 07/30/27-App.VII)</p> <p>The 23rd Session of the Committee considered the proposed draft Standard for Certain Canned Vegetables and identified generic provisions applying to all canned vegetables covered in the Scope to be dealt with in the body of the Standard while the vegetable-specific provisions were left in separate annexes to the Standard. This approach would allow for progress of the body and the annexes at different stages in the Step Procedure. The Committee agreed to forward the body of the Standard to Step 5 for adoption by the Commission. The 30th Session of the Commission adopted the general provisions in the proposed draft Standard at Step 5 as proposed by the Committee.</p> <p>The <i>draft Codex Standard for Certain Canned Vegetables (general provisions)</i> has been circulated for comments at Step 6 under CL 2007/22-PFV.
