Excellent	4
Good	1
Fair	1
Poor	0

Quality of Codex regional communications

Excellent	4
Good	2
Fair	0
Poor	0

Rank the current Codex communication tools that are most accessible for you?

What other communication tools would increase accessibility?

non

all the tools were implemented

Workshop

the current channels are ok

virtual meetings

meetings online

Please provide any additional suggestions on how to further improve the timeliness, accessibility and quality of Codex regional communications

we highly appreciate the efforts of CCNE COORDINATOR

best of luck

The suggestion would be to have more codex sub-focal points to ensure the information has reached all the concerned entities
