Note:

During adoption of the agenda, the Chairperson will propose that the elements of the draft Codex Strategic plan 2026 – 2031 that are not yet drafted, i.e. strategic goals and associated outcomes, be addressed through an in-session working group, in line with recommendation iii of CX/EXEC 24/86/4 (paragraph 22). This in-session working group could replace the plenary sessions to be convened on Tuesday afternoon and Wednesday morning. Interpretation would be available while the in-session working group discusses as a group, but may be limited in case sub-group discussions are needed to facilitate the work.
