Codex Committee on Nutrition and Foods for Special Dietary Uses (CCNFSDU)

Nutrition ahead - preparing for CCNFSDU 42

Objective

This informal webinar will provide an update on the main agenda items that will be discussed at the next session. Codex Members and Observers will have an opportunity to learn about the status of the work and progress made since the committee last met in 2019. Participants will gain insight into the key issues that need to be addressed and how discussions will be framed in order to progress work on these texts at the plenary session.
