CITY OF PEACE, CENTER OF WINTER SPORTS PYEONGCHANG

City of Peace

The 2018 Pyeongchang Winter Olympics were highlighted by not only fierce competition for medals, but also diplomatic efforts for promoting inter-Korean cooperation. The city has been solidifying its position as an international city of peace.

City of Winter Sports

The city offers winter sports facilities including many ski and sledding slopes and ski and snowboard classes for different skill levels ranging from beginners to advanced.

TOUR ATTRACTIONS

Woljeongsa Temple

If the stresses and responsibilities of daily life have you feeling down, plan a trip to this temple. Your worries will fly away as you take in the pure air and beautiful scenery. Winter is the best time to visit the temple as the mountains are blanketed in snow.

From the entrance of this temple, a separate road leads off to a path through a dense fir tree forest. Not only magnificent in appearance, walking through this pathway can be equally relaxing and refreshing to one's mind.

Pyeongchang Herb Nara

If you're looking for a place to spend few hours among fragrant leaves and medicinal herbs, this garden will satisfy you.

You can experience all aspects of herbs including great selection of original herbal tea blends, cuisine and potpourri made of farm grown herbs.

You must try the herb infused snacks in the little cafe and bibimbap made with fresh flowers and vegetable in the restaurant before you leave.

TOUR ATTRACTIONS

Alpensia Ski Jump Center

It was used for the ski jumping competition of the Pyeongchang 2018 Winter Olympics. The tower serves as an observatory and is open to the public. Visitors can take a monorail up to this great vantage point to view the beautiful scenery. Visitors can also sign up for a special tour indirectly experience the thrill of ski jumping at the athletes' regular practice zone.

Daegwallyeong Sheep Farm

Visitors can appreciate and enjoy the picturesque landscape of wide grass fields along with the eastern coast against the clear blue skies. It is most famous in winter as it is especially known amongst photographers for the perfect amount of snow which covers the fields like a blanket. Visitors can view the sheep and take pictures from all angles as they stroll along the path.

GENERAL INFORMATION

Weather in Pyeongchang

The average temperature in December is -3°C .
The weather is usually snowy and windy in winter.

Electrical Current

Electrical appliances operate on 220 volts and 60 Hz.
Plug type of C, F.
