Part 2 – Standards and related texts held at Step 8 by the Commission

Standard and Related Texts	Reference	Notes
Draft MRLs for Bovine Somatotropin	ALINORM 95/31, Appendix II	Held at Step 8 by 23 rd CAC (ALINORM 03/41, para. 34)

Note 1: The 35th Session of the Commission agreed to request JECFA to re-evaluate bST and to continue holding the draft MRLs for bST at Step 8, pending JECFA re-evaluation and CCRVDF recommendations (Ref. REP12/CAC paras 67-86).

Note 2: The 38th Session of the Commission recognized the validity of JECFA's risk assessments as the sound scientific basis for its deliberations on rbSTs. The Commission, as the international risk management body recognized that consensus had not been reached on the adoption of the draft MRLs. In light of this, the Commission agreed to hold the draft MRLs for rbSTs at Step 8 to provide further time to facilitate a possible consensus and that the draft MRLs would continue to be on the agenda of the CAC and open to discussion (Ref. REP15/CAC paras 49-63).
