AKYAKA TRADITIONAL FISHING TOUR

Welcome Aboard

ON THIS BOAT PLEASE

- Watch your step and be aware of fishing gear onboard
- Follow instructions of the guide/captain where from and when to start fishing
- Be aware of plants and animals you may encounter when fishing
- Follow the rule- watch but do not touch when snorkeling
- Check caught fish size limits in our Fish Identification Guide
- Carefully return undersized, protected, or unwanted fish back to the water and ask for assistance if needed.
- Do not through rubbish overboard
- Use onshore toilets if possible
- Use low phosphate, environmentally friendly sun protection products when in water
- Enter water only then the boat captain gives permission.
- Use ladder when getting in and out of the water
- Follow instructions by tour guide when snorkeling and stay within view of the boat
- Use a floatation device if you are not strong swimmer or snorkeler.
- Keep safe distance from the boat.

PLEASE SUPPORT GÖKOVA MARINE PROTECTED AREAS AND
SUSTAINABLE LOCAL FISHERIES
