

México

Leaveraging existiting institutional structures and legal frameworks to domesticate the SDGs

PAST

¿How were we doing with MDGs? Specialized Technical Committee of the Information System of the Milenium Development Goals

- <http://www.objetivosdesarrollodemilenio.org.mx/>

PRESENT

2030 Agenda for Sustainable Development

**SPECIALIZED TECHNICAL COMMITTEE OF THE
INFORMATION SYSTEM OF THE
Millenium SUSTAINABLE
DEVELOPMENT GOALS**

<http://agenda2030.datos.gob.mx/>

FUTURE

Consejo Nacional para el cumplimiento de la Agenda 2030

Mecanismo coadyuvante para la implementación y apropiación de los Objetivos de Desarrollo Sostenible por los diferentes sectores.

Next steps:

- **Establishment of the High Level Council**
- **Information and advocacy campaign**
- **Suscription of the National Agreement for the Implementation of Agenda 2030**
- **Definition of national and local indicators**

QUESTIONS FROM THE PUBLIC:

- **WHY BOTH THE NATIONAL COUNCIL AND THE TECHNICAL COMMITTEE ARE LOCATED DIRECTLY AT THE OFFICE OF THE PRESIDENT?**

Maximum level of commitment and coordination guaranteed

- **What about the participation of other actors, including academia, private sector and civil society *et al*?**

Both the National Council and the Technical Committee include representatives from all fields

Alliance for Sustainability – with Private Sector

Senate’s Working Group for the Follow–up of the 2030 Agenda
