(for discussion and decision)**

**Sub item 2. Update of the Rolling Section of the CFS MYPoW  
2020-2023 (for decision)**

**Thank you, Mr. Chairperson,**

1. Indonesia welcomes the proposal for the CFS MYPOW 2020-2023 - Update of the Rolling Section, noting that the full its implementation will be contingent upon sufficient financial and human resources.
2. We support CFS to keep to its medium- and long-term objectives and continue to support members by providing a timely and adapted response, including focusing on the emerging impacts of the COVID-19 pandemic and the ongoing global food crisis.
3. We would like to recall the importance for the CFS to continue their efforts to expand and diversify the CFS financing base, including by reaching out to the CFS Member States, private foundations, the private sector, and financial institutions.
4. With these comments, we support the MYPOW 2020-2023 - Update of the Rolling Section.

I thank you, Mr. Chair.
