

FINANCING A SUSTAINABLE FUTURE: **MAKING RESPONSIBLE INVESTMENTS FOR HEALTHY DIETS, CLIMATE ACTION, AND EQUITY IN FOOD SYSTEMS**

This session is moderated by Christine Campeau, Global Policy Director of Food and Nutrition Systems, Care and brings together a diverse, multisectoral panel featuring:

Natasha Hayward, Program Manager, Global Agriculture and Food Security program.

Fernanda Machiaveli, Vice Minister of the Ministry of Agrarian Development and Family Farming, Brazil

Government Representative from Burundi

Government Representative from Egypt

Mary Bekunda Kobusingye, Programme Manager, Build Resilient Communities, DanChurchAid Uganda

Peter Taksøe-Jensen, Ambassador of Denmark to Italy, Malta and San Marino

Rick Van Der Kamp, Lead Global Technical Specialist for Markets and Value Chains, IFAD

By showcasing successful experiences and identifying key entry points, the session aims to accelerate responsible investment and multisectoral collaboration for equitable, resilient, and nutrition-sensitive agrifood systems.

Date and time: Tuesday, 21 October, from 8.30 to 9.45 CET

Venue: Iran Room, FAO HQ, Rome (in person)
