# Achieving Food Security in Protracted Crises Haiti Country Case Study

*Chair:*

Mr Joanas Gue, Minister of Agriculture of Haiti

*Rapporteur:*

Ms Françoise Schild, Alternate Permanent Representative of the Netherlands to the UN Organisations

*Panelists:*

Mr Gary Mathieu, National Coordinator on Food Security

Ms Maria Teresa Gatti, AVSI

## Key Findings

### **CFS to act as a platform to share best practices & lessons learnt:**

- A productive, diversified and sustainable agriculture with: enhanced local food production, improved market access, recognition of the central role of women and cooperative movements in agricultural systems and food security programmes;
- Implementation of early recovery systems as well as long term development plans to address root causes of protracted crises.
- Promote nutritional education, implement public health policies, implement commercial and fiscal reforms and foster remittances;
- Strengthen capacity and knowledge to respond to food crises, improve social protection systems and develop a legal framework regarding food security ;
- Importance of South-South Cooperation
