

***FARM FOR BUSINESS***

**Ministry of Agriculture,  
Forestry and Food Security**

# OBJECTIVES OF THE SCP

- **OVERALL** : Empowering small holder farmers to increase farm incomes and food security for sustained economic development growth.
- **Specifically,**
- To increase farm incomes by 10%
- Increase agriculture sector growth from 4.4 % to 7%
- Increase food security by 25%

...through 15-18 Agriculture Business Centers (ABCs) per district

### What is an ABC?

An ABC is both a physical structure with post-harvest facilities, and a conduit for the organisation of input supply, value addition, processing, storage, packaging and marketing. Each ABC will gradually become the nucleus of a viable private enterprise.
