

PaperSmart CFS 43

CFS 43 is taking steps towards making the Committee's meetings "PaperSmart" as outlined in the Report of the UN Secretary General [The PaperSmart concept \(General Assembly A/68/123\)](#)

As per usual practice, electronic copies of CFS Session Documents will be available in all languages in advance of the session at the following link:

<http://www.fao.org/about/meetings/cfs/cfs43/list-of-documents/en/>

To accommodate delegates who require printed copies, the document desk in the Korean Conference Service Centre (Building A, 1st Floor) will serve as a Print-On-Demand centre. There are two options for requesting printed copies:

- Go in person to the document desk and request the copies needed
- Send an email in advance with the details of documents and languages needed to CFS43-Print@fao.org and then pick up the copies

Requests for printing will be handled in the order that they are received.

As an interim measure, limited copies of the Draft Annotated Agenda and Timetable will be available at the document desk. All other printed copies should be requested as per the procedures above.

Thank you for helping make CFS greener.
